

The Town of Mount Pleasant is currently accepting applications for the following position:

## **UTILITY MAINTENANCE MECHANIC**

### General Statement of Duties

Performs a variety of responsible unskilled, semi-skilled, and sometimes skilled maintenance, repair, and construction work on streets, buildings, grounds, drainage, water distribution and sewer collection system and other public facilities.

### Distinguishing Features of the Class

An employee in this class performs a variety of unskilled and semi-skilled labor tasks in the construction, maintenance, and repair of water distribution and sewer collection system, streets, buildings, grounds, and drainage, and other facilities. Other tasks include meter reading, collecting and disposing of yard waste, snow removal, and various other related tasks. Work involves operating a variety of tools and light, and medium equipment to build, repair and replace sections of sewer line, asphalt repair, concrete repair and other infrastructure. Employees are subject to working in both inside and outside environments, in extreme hot and cold weather, and exposure to various hazards such as loud noises, vibration, moving mechanical parts, electrical current, chemicals, fumes, odors, dusts, mists, gases, poor ventilation, and oils. Employees are also subject to working in or around sewer and man holes. Work around sewer subjects employees to the final OSHA standards on blood borne pathogens. Employees are also subject to on-call and call-back work. Work is performed under regular supervision and is evaluated through observation and inspection for adherence to instructions and standard trade and safety practices.

This is a full time salaried position with benefits.

The current salary range is: \$28,302-\$40,432

Applications are available at Mount Pleasant Town Hall.
